

Finance Minister has announced hundred per cent deduction to companies registered as Farmer Producer Companies in his budgetary speech of 2018-19

Tax incentive for promoting post-harvest activities of agriculture

"Madam Speaker, at present, hundred per cent deduction is allowed in respect of profit of co-operative societies which provide assistance to its members engaged in primary agricultural activities. Over the last few years, a number of Farmer Producer Companies have been set up along the lines of co-operative societies which also provide similar assistance to their members. In order to encourage professionalism in post-harvest value addition in agriculture, I propose to allow hundred per cent deduction to these companies registered as Farmer Producer Companies and having annual turnover up to `100 crores in respect of their profit derived from such activities for a period of five years from financial year 2018-19. This measure will encourage "Operation Greens" mission announced by me earlier and it will give a boost to Sampada Yojana".
