Sir,

Please refer to your letter dated 14.07.2025 on the above subject. In this regard, point wise reply is furnished as below:

Sl. No.	Question	Reply
a)	Whether Government is aware of the fact that still most of the farmer's produce is sold to industries only through middle-men, if so, the details thereof;	No such information is available with SFAC
b)	The steps taken by Government to connect industries directly with the Farmer Producer Organizations (FPOs);	To connect industries with FPOs, melas/exhibitions are being conducted across the country where industries are invited for B2B linkages with FPOs. Besides, FPOs also participate in various EXPO/exhibitions conducted by industry associations, other departments of Central Government, State Governments, etc. Webinars are also being organized for FPOs by MoA&FW where industry experts guide FPOs on doing business with their organizations.
c)	The outcome in this regard; and	Through the above efforts, many FPOs have established tie ups with industries to directly sell their produce and products to them.
d)	Number of Industries in India directly tied with the Farmer Producer Organization (FPOs) for procurement?	171 Industries/ Business organizations have tied up with 430 FPOs of SFAC for procurement of raw materials, finished agri-products, agri-commodities, etc. and supply of farm inputs. Further, many FPOs are also tied up with NCCF, ITC etc for sale of wheat, maize, pulses etc. During Rabi Marketing Seasons 2025-26, 39 FPOs in Bihar and Rajasthan have supplied wheat to FCI under MSP operations.
