Sub: Rajya Sabha Admitted RSUQ No. 669 for 25.06.2025 regarding Registration of FPOs, farmers and traders on e-NAM platform.

Sir,

Please refer to your mail dated 21.07.2025 on the above subject. In this regard, point wise reply is furnished as below:

Sl. No.	Question	Reply so far as SFAC is concerned
a)	the number of mandis integrated into the electronic National Agriculture Market (e-NAM) scheme till date;	As on date, 1522 Mandis across the nation are onboarded on e-NAM portal.
b)	the number of farmers, traders and Farmer Producer Organisations (FPOs) registered on the e-NAM platform and the total value of agricultural produce traded;	As on 30 June 2025, 1,79,41,613 farmers, 2,67,719 Traders & 4518 FPOs are registered on e-NAM. Total value of agriculture produce traded on e-NAM platform till 30.06.2025 is Rs. 439941 crores.
c)	the expected benefits for farmers participating in e-NAM regarding price discovery and market access;	e-NAM enables farmers to directly sell their produce to buyers, by passing intermediaries, which ensures better pricing and increased transparency. The platform provides access to broader markets, real-time pricing information, and e-payment systems, allowing farmers to receive timely payments. By offering quality grading, competitive bidding, and market intelligence, e-NAM empowers farmers to make informed decisions and maximize their profits.
d)	whether there are plans to expand e-NAM to more States and Union Territories, if so, the timeline for such expansion; and	Currently, 1522 mandis are integrated in e-NAM. As per the current e-NAM guidelines, states themselves identify mandis to be integrated with e-NAM and send DPR proposals for mandi integration to the ministry. Therefore, states can get more APMC yards onboarded on the e-NAM portal.
e)	the manner in which e-NAM supports Government's "One Nation, One Market", vision for agricultural commodities?	The e-NAM platform supports by integrating mandis across states into a single online trading platform. It promotes uniform quality standards and harmonized trade practices. The platform also ensures transparency and fair trade, increasing market access for farmers and promoting efficient logistics and digital payments.

Yours faithfully,

(Ratnesh Choudhary)
